

# TIMOTHY L CORRELL FOUNDATION, INC

## MEMORIAL SCHOLARSHIPS FOR EMERGENCY MEDICAL TECHNOLOGY, FIRE SCIENCE, AND NURSING

### Guidelines

Scholarships in the amount of not less than \$100 and not more than \$500, as determined by the TLC Foundation Board of Directors and available funds, will be awarded annually to Minnesota high school seniors pursuing Minnesota State approved BA, AA, AAS, or certification programs in any of these fields:

- a. Emergency Medical Technology (EMT / Paramedic)
- b. Fire Science / Firefighting
- c. Nursing (2 or 4 year degree programs)

### Qualifications

Completed student application and two (2) recommendation letters, (*academic and community*) are required. Include with your application and recommendation letters a copy of your acceptance letter into the college and/or program that you will be entering in the fall. Applicants will be judged on their potential to succeed, desire to complete their program, desire to make a positive impact on their community, and financial need.

### Awards

Awards shall be made in two payments. If at all possible, the first half will be presented during high school scholarship recognition programs, or as otherwise deemed by the TLCF Board of Directors and/or their school. The remaining portion of the award will be paid upon receipt of a first semester transcript showing that the award recipient has made satisfactory academic progress in their program.

### Deadlines

Mail completed applications and recommendations by March 10 to
